January Meeting

Due to confusion about when our meeting dates are to be held, we were not able to get to our board room meeting place. Twenty-six members and one guest, Terry Cal. were in attendance at the abbreviated meeting at the coffee shop across the street.

The secretary's report as published in the January newsletter was presented and accepted.
The treasurer's report was presented and accepted.

January Business

Our new president, Terry C. and V.P., David J. reviewed a proposal handout for the club's 50th anniversary medal with approximate costs and tentative time lines. The Medalist and Mint would be Daniel Carr of the Moonlight Mint located in Loveland, Colorado.

A motion was made and passed to accept the proposal for creating the medal and the "General Palmer on Horseback" design for the general idea of the obverse of the medal which was needed to be done at this date.

Over the next three months club officers will be discussing plans and ideas with the membership. When it is time to strike the medals, members of the club are invited to visit the Moonlight Mint facility for the event.

Also at our abbreviated meeting, a presentation of a Past President Medal was given to Frank T. for his eight and one half years of service.

George M. read a notice from CWNA telling of their annual membership and board meeting and their membership dues notice.

Visitor, Terry Cal. applied and was accepted into membership. Welcome Terry!

Collector's Corner

The show and tell will resume at this February meeting.

January Door Prizes

I have a list of members that came to attend the January meeting that will be used for January door prize winners along with this month's door prize winners.

Membership Prize

From that January list we will have January winner along with this month's membership winner.

February 28th Meeting

At this meeting we intend to get a general idea for the reverse design of the 50th anniversary medal. Also we will discuss which metallic versions of the pieces to produce, the prices for the those versions and answer questions about members ordering.

February Collector's Corner

Please bring an item (s) for our show and tell session.

Volunteer Prizes

Also from the January meeting list, two volunteer winners will be awarded the January volunteer prizes along with two volunteer winners for February.

Dues for 2012

I will continue collecting our 2012 dues of \$2.00 - individual and \$3.00 - family. As always, if you have joined within the last three months, you are already paid up for the coming year.

ANA's Web Space Page

Our website can be viewed at (csccl.anaclubs.org). We do need help with this and ask the membership for any ideas for adding information, articles, art work and newsletters to the site.

Weather Warnings

Regarding questionable weather conditions for our regular meeting dates, please use good judgment if you are not notified of a cancellation during bad weather. I would try to notify all regular members by E-mail or telephone, ahead of time, but if in doubt, my number is in the book. We don't want any members risking their life to attend a Club meeting.

Coin Show Exhibits

Start thinking about a numismatic subject for your coin show exhibit. Numismatic items and awards will be given for participating and winning exhibits.

Coin Show Volunteers

To be eligible for our monthly volunteer drawings at both clubs we ask for two hours of help during set-up and/or take-down and two hours of being a greeter at the registration table during the show. I'll have a sign-up sheet for the 2012 show at this February meeting.
