October Business

Our president, Terry Cr. again reviewed the subjects about forming committees that were discussed last month by our club membership and will be continually discussed at future meetings.

Frank K. speaking about the YN program being organized by him and Bill K. for school age kids to learn about collecting coins and numismatic history. He has asked our membership for donations of less expensive U. S. and foreign coins along with numismatic books, (recent date Red Books) and coin magazines, coin holders, etc. for giveaways to school age beginning collectors. We are in the process of putting together a flier for certain school's teachers and students explaining our club's intention with organizing the program.

A discussion of our Christmas door prize system took place. The ideas and decisions were also talked over at the November Society meeting. We will continue with a revised motion of the ideas and results at this meeting.

Also discussed at the clubs were; trying to do away with sending newsletters thru the mail. This has been an expensive venture and time consuming process for the club secretary. The idea was put on hold for now.

Steve I. suggested a birthday coin be given to members that attend the meeting on their birthday. The motion fell short of being passed.

Members bringing items for auction are asked to pool the lesser expensive items into lots.

November Program

Weather permitting, in November we will have a program on "*National Medals or So-Called Dollars*" given by John Dean. The second edition of *So-Called Dollars* is the result of years of effort by a team of dedicated collectors – Tom Hoffman, Dave Hayes, Jonathan Brecher and *John Dean* with the cooperation of a "who's who" in the field of medals and tokens.

2012 Holiday Party

Reservations have been made for our Joint Holiday Dinner Meeting with CSNS on Tuesday, December 4th, 6:00 to 9:00 P.M. at the Golden Corral Restaurant, 1970 Waynoka Road.

Coin Club's Web Space Page

Our website can be viewed at (cscclanclubs.org)
We do need help with this and ask the membership for any ideas for adding information, articles, art work and newsletters to the site.

Weather Warnings

As we get into the season of questionable weather conditions for our regular meeting dates, please use good judgment if you are not notified of a cancellation during bad weather. I would try to notify all regular members by E-mail or telephone, ahead of time, but if in doubt, my number is in the book. We don't want any members risking their life to attend a Club meeting
