February Meeting

Sixteen members were in attendance at our evening meeting.

The secretary's report as published in the February newsletter was presented and accepted.

The treasurer's report was withheld due to our treasurer being absent.

February Business

Our president, Terry C. told of the passing of Allen Nye on February 18th and the services that were well attended by Coin Club and Society members.

Updated club information sheets were filled out for the ANA and Cary Hardy making David J. our club representative to the ANA.

ANA election nominations were motioned for our own member, Steve D'Ippolito for Governor along with Tom Mulvaney for Governor and Jeff Garrett for Vice President.

Two books; National Commemorative Medals of the United States Mint, first and second editions were donated to the club by John T. Dean who gave the club a very interesting and informative program on these medals in November. We intend to loan them out to interested members on a monthly basis and eventually auction them to club members.

Dan U. was presented an engraved uniface CC medal for his program on "Self Defense and the use of Lethal Force for Coin Collectors" last month.

February Program

Dan U. gave a fourteen question quiz on "Silver" made up by Amanda D, which went very well with everyone. Dan passed out small foreign silver coins for prizes to members with correct answers. I think every member there answered their questions correctly.

February Collectors Corner

Members James N., Steve D'I., Terry Cau. and Jerry F. displayed numismatic material.

February Door Prizes

Monthly prizes were won by Jerry F., Steve I., David C., Brad L. and Ernie M.

February Volunteer Prize

Member, David J. won February volunteer prize.

February Membership Prize

Our newest member, Duke won the February membership.

February Auction

A four lot auction took place with all selling.

March Collector's Corner

Please bring an item (s) for our show and tell session.

March Program

We will have questions to the membership about the ANA's NCW theme, "Buffalo Nickel Centennial: Black Diamond Shines Again".

National Coin Week - April 21 -27

The 2013 NCW theme is "Buffalo Nickel Centennial: Black Diamond Shines Again". The ANA will have club contests for the month and events on April 27th at the Money Museum.

Coin Show Exhibits

Please start thinking about a numismatic subject for your coin show exhibit. Numismatic awards will be given for participating exhibitors. I will have these forms at this meeting or visit our website.

Coin Show Volunteers

To be eligible for our monthly volunteer prize drawings at both clubs we ask for two hours of help during set-up and/or take-down and two hours of being a greeter at the registration table during the June show. A volunteer sign-up schedule for the registration table greeters will be passed around at this meeting.

ANA's Web Space Page

Our website can be viewed at (csns.anaclubs.org) or (csc.anaclubs.org) . We do need help with this and ask the membership for any ideas for adding information, articles, art work and newsletters to the sites.

Weather Warnings

Please use good judgment if you are not notified of a cancellation during bad weather. I would try to notify all regular members by E-mail or telephone, ahead of time, but if in doubt, my number is in the book. Last month was a little "IFFIE" in some parts of town but we didn't cancel. We don't want any members risking their life to attend a club meeting.
