WE NEED A ROUGH ESTIMATE OF HOW MANY Y/NS WILL BE ATTENDING

Important Notice

As reported earlier; I had received a e-mail from the individual that is in charge of the meeting room at the Gold Hill Division, C. S. Police Department where we have our Tuesday evening meetings.

“I received another complaint from Tuesday that the group arrived at 6pm and gathered in lobby by being very loud and was trying to get in the room before the other group was done. The Coin Club does not have the room until 6:30pm, I cannot have your group gathering in the lobby before that time as it gets very loud and makes it difficult for PSR’s to do their job.

Please explain to your group that they need to wait in their cars, or parking lot until your time. If this continues to be an issue the room will no longer be available for use by the Coin Club. I don’t want to do that, but making sure that the space is used properly and shared by all who use it is very important.”

Please realize that we have the room, which is an ideal meeting space, for no cost to us, from the Gold Hill Division, C. S. Police Department.

Reimbursement

Steve D’I reported that he will reimburse parking and mileage with receipts, odometer readings, or a google map showing the distance from house to Denver convention center. Anyone who is not a member must join to be an ANA show volunteer, but I will reimburse half of an annual membership (either print or electronic magazine) after they have done their volunteer work.

Coordinate Rides to Denver

Members have asked at the June meeting if their were club members that would be available for transportation to and from the Denver show. We will discuss this at the July meeting. Barbara T. and Steve D’I had both mentioned that the club could reimburse members for parking and mileage with receipts and/or odometer readings.
