Because you are concerned about the consequences of doing what’s legally right, we offer comprehensive protection for both criminal and civil defense – whether it is a minor accident or major life-altering situation.

NATIONAL MONEY SHOW HOST COMMITTEE NOW SEEKING VOLUNTEERS

We are now seeking Ambassador volunteers for the National Money Show. This will involve helping out at the Kid's Zone, the show entrance, or "floating" on the bourse floor, ready to answer questions from the public. We would also like to have people available to relieve some of our committee chairmen at the pages' table or the exhibit area, where we must have a full time presence.

We are also looking to have volunteers to man the club table at the show.

If you can give a few hours of your time, please fill out the application at the end of this newsletter.

COLORADO SPRINGS NUMISMATIC SOCIETY MEETINGS

These are normally on the second Sunday of every month, except December, at 2 PM. **Meetings are now in-person!** The regular location is the same as our former location, at the CSPD Community Room, 955 W. Moreno Avenue. Temporarily, the meetings are occurring at Hilltop Baptist Church, 6915 Palmer Park Blvd (which is on the southeast corner of Palmer Park and Peterson Road at the light about a mile *east* of Powers Boulevard and the Golden Corral).

If you've never been to a Numismatic Society meeting, they're a bit different. Every month, instead of a program they have exhibit talks—extended presentations by the membership on whatever they want to show.

NATIONAL MONEY SHOW CONVENTION SEMINARS

ANA ANNOUNCEMENT

Collectors can enhance their skills in counterfeit detection and coin grading during the annual National Money Show®, March 10-12, in Colorado Springs, Colo. The ANA is offering two seminars: “Counterfeit Detection of U.S. Coins with Emphasis on Chinese-Made Fakes” and “Fundamentals of Grading.”

“Counterfeit Detection of U.S. Coins with Emphasis on Chinese-Made Fakes” is a two-day class that will debut one of the largest collections of Chinese-made counterfeits of United States colonials, coins, tokens, bullion and bars. Hundreds of never before seen, recently made examples will be available to examine along with the ANA’s Counterfeit Detection set of older and highly deceptive fakes.

This seminar will teach counterfeit detection of key date and mintmarked coins, U.S. gold coins, and the latest wave of deceptive Chinese-made counterfeits. Both digital presentation and extensive hands-on coin examination will be covered.

Instructor Brian Silliman is leading this course, March 8-9, 9 a.m. to 5 p.m. at The Broadmoor, 1 Lake Ave., in Colorado Springs. The cost is \$250 for ANA members and \$350 for non-members.

The two-day course “Fundamentals of Grading,” will explore the history and philosophy of grading, and teach how to grade copper, nickel, silver and gold U.S. coins according to the latest ANA and market standards. Instruction will consist of a slide presentation and plenty of hands-on opportunities to view and grade the ANA Grading Set in individual and group settings.

ANA Education Director Rod Gillis is instructing this course with special guest Ken Bressett, March 11-12, 9 a.m. to 4 p.m. at The Broadmoor, 1 Lake Ave., in Colorado Springs. The cost is \$250 for ANA members and \$350 for non-members.

Register for one or both National Money Show seminars by visiting money.org/NMS-seminars. The deadline to register is Friday, February 11.
