July Meeting

Twenty-four members and one guest, Milt's wife Helen, were in attendance at our Sunday afternoon meeting. The secretary's report as published in the July news-letter was given and accepted. The treasurer's report was given and accepted.

July Business

A discussion ensued by our membership about the ANA's summer seminar and our show's attendance even through the destructive fires in Colorado Springs that weekend. It was brought up for the clubs to send a letter of appreciation from the Coin Club and our Society to the Crowne Plaza for their cooperation and assistance with the 2012 coin show.

July Door Prize Winners

Winners of our door prizes were; Bill K., Brad L., George M., Swede K., Dave J., Ed H. and Dan U.

Volunteer Prize Winners

2012-2013 volunteer prizes will begin in August.

July Auction

A seven lot auction was held with all lots selling.

Exhibit Talks Judging

There were four exhibitors all within a point or two of each other, making it extremely hard for those judging the events.

Thank you to the judges that are sometimes given a nearly impossible task of choosing a number one exhibit.

August Exhibit Talks

All members are invited to bring an item(s) to show for our exhibit talk session. All that is needed is displaying the item(s) with a short talk or explanation of the exhibit.

2012 Holiday Party

Now is a good time for us to start thinking and planning our joint holiday party. Because of the increased number of Society, Coin Club and family members over the last couple years, this is of growing concern. We will need some member input and participation on the party meeting place, the door prize system and any other concerns.

Society Elections

Another item that should be on our agenda before this November would be the election of society officers. Over the last couple years we have let our officer elections slide. Frank K. has volunteered his services for quite a few years with his grandson, Jared helping with "President in training" this last year.

Our Society must have member participation and cooperation with this very important society function.

ANA's Web Space Page

Our website can be viewed at (csns.anaclubs.org) or (csc.anaclubs.org). We do need help with this and ask the membership for any ideas for adding information, articles, art work and newsletters to the site.

July Exhibit Talks were presented by six members
