ANA's Web Space Page

Our website can be viewed at (csns.anaclubs.org) or (csccl.anaclubs.org). We do need help with this, asking the membership for any ideas for adding information, articles, and art work to the site. Our monthly newsletters and club information may also be viewed on the website.

Coin Show Results

The Society volunteer help for the coin show did a great job helping with set-up, registration, the club table, exhibits, the gold panning area and show take down doing the work needed for the whole week. The show attendance may not of been what it should have been mostly because of the new show location but the dealer area and parking were great.

People's Choice of Best of Show

Mark Evans, Rings and Things

GLEANINGS July 2018

First, a hearty thanks to all who helped with the 2018 Colorado Springs Coin, Currency and Collectibles Show. I hope you enjoyed your time the show at least as much as I did. This Sunday at the Society meeting will be a good time to exhibit and share something that you picked up at the show. Also, be ready to welcome any visitors at the meeting who learned about the Society at the show. It is uncanny how often visitors and new members win a door prize, so don't be surprised if they do.

There will be a report on the Show Raffle and we'll have another club raffle on Sunday.

Our annual White Elephant Auction (WEA) is scheduled for our September meeting. Bring numismatic items to donate to the auction. All WEA proceeds go to the Society.

Thanks to CSNS and CSCC for the scholarship to Summer Seminar. I was blessed to attend *Numismatic Publishing*, taught by 2 guys who know a little about the subject, Steve Roach, *Coin World* editor-at-large and Dennis Tucker, publisher at Whitman Publishing. I look forward to giving my report to both clubs in the near future.

Dan, President

George Mountford, Society Secretary
