Also, that Colorado College will not host 2021 Summer Seminar. Richard J. explained that the ANA board is looking for another location. As this is written 2021 Summer Seminar is CANCELLED.

EXHIBITS:

Dan U. showed the Olloclip 10x lens he acquired. It attaches to a cell phone and allows seeing and photographing at 10X magnification.

Kevin L. explained the practice of encasing coins in Lucite plastic. He showed us 2 examples that are German coin paperweights.

George M. shared the only Tibetan coin he has seen, a 1949 silver 10 Strang.

Larry F. showed us the recent Innovation dollar coin for Massachusetts, that displays a rotary dial telephone.

Secretary's note: I encourage more members to log in to the Zoom meetings to participate in the Society's business and experience the informative exhibits that are presented. Although preparing and presenting an exhibit for a zoom meeting is a bit more involved than the in-person exhibits placed on the exhibit table, I also encourage you to present an exhibit this year. It is a good opportunity to share what you have "picked up" numismatically (knowledge or coin, medal, bill, etc.) during the pandemic.

AUCTION: No auction

PRIZES: No Membership Prize. Three door prizes were won by random drawing. *Note: If you are not attending the CSNS zoom meetings you are missing out on the best chance ever to win a door prize coin. Look at the odds!*

RAFFLE: One Raffle prize [1887 silver dollar] was won.

Dan U., Secretary

Just a reminder that we will have a **Virtual Colorado Springs Numismatic Society Meeting** via **Zoom on Sunday, FEBRUARY 14 at 2:00 pm.**

Please look at the attached newsletter for the meeting agenda and other news.

There are a few different ways that you can join the call.

To join the meeting from your computer, smartphone or tablet:

If you have a computer with video and speakers you can join via www.zoom.com or from their app installed on your device (smartphone or tablet). If you have never participated in a Zoom call, it is rather easy however we recommend going to the website or app prior to the meeting to make sure you have no issues signing in. It is free of charge

but you will need to fill out a few basic pieces of information prior to joining which may take a few minutes. From here you can either turn off your video or change your background if you would like to keep your privacy. We also ask that you mute your computer when you join until you are ready to talk to keep background noise to a minimum.

I do believe we are getting closer (possibly between March and June) to somewhat eliminating this virus and/or getting back to having

face to face meetings again. As with everybody, I sure miss the relationships with my numismatic buddies and hope to be with everyone soon.
